

# GOLFER GUIDE TO FOX HILLS GOLF OUTINGS

AS OF 8.3.20

We look forward to your golf outing at Fox Hills Golf, Banquet Center & Restaurant! In order to ensure everyone's safety, the following modifications have been put into place due to COVID-19 regulations and to comply with current government orders.\*

We trust that even though things may look a little differently, you will stay healthy and enjoy a day of golf to remember!

## OUTING ADJUSTMENTS

- Additional sanitation measures are in place to ensure all areas are disinfected on a regular basis.
- All guests are required to wear face masks within our buildings, in outdoor gathering areas and at the Summerhouse, unless seated at their tables or in golf carts; *this is strictly enforced due to the executive order.*
- All Fox Hills, staff will be wearing face masks at all times. Culinary staff will be wearing face masks and gloves.
- All guests must comply with 6 ft. social distancing both inside and outside at all times for those not living in the same household, except when seated at tables. Guests are required to remain at their tables except to enter or exit the premises, to get their food or to use the restroom.
- For shotgun starts, golfers must stay within their carts. For shotguns over 100, additional carts will be staged in a nearby but separate location.
- Golf contests must be accompanied with a volunteer to move markers and write in names.
- Any auction items or raffles must be accompanied with a volunteer to write in names and distribute tickets; no sharing of pencils or pens.

## GUIDELINES ON THE COURSE AND AFTER ROUND

- Please keep 6 ft. social distance at all times.
- Please do not touch or remove flag stick.
- Raised cups will be on all holes.
- No rakes in bunkers.
- No water coolers on course.

## AMENITIES

- Bars for before, during and after round for to-go purchases will have social distancing markers. *No congregating.* Must take drinks to-go.
- Beverage carts will be available before shotgun and on the course.
- Restrooms are available inside clubhouse and on the course.
- Putting green and driving range open; please keep 6 ft. social distance.

## MEAL SERVICE

- Dining available outside for groups of 100 or less in each designated area. No dining inside clubhouses. Summerhouse may only be closed on 2 of the 4 sides in the case of inclement weather.
- Standard seating may be set for a maximum of 10 people per table. All guests are spaced 6 ft. apart from others seated at different tables. Guests are required to remain at their tables except to enter or exit the premises, to get their food or to use the restroom.
- Cocktails will only be served to guests seated at their tables.
- No self-service of any food or beverages is permitted (i.e. buffets, breakfasts, coffee stations, condiments; attendants are required).
- Any donated items must be approved and will require volunteers to serve wearing facemasks and disposable gloves.
- Food menus may be limited based on product availability.

## ADDITIONAL SANITATION MEASURES

- All golf carts are power washed then sprayed with approved disinfectant after each use.
- All driving range baskets are cleaned and sanitized with approved disinfectant after each use.
- All range balls are cleaned thoroughly with approved disinfectant solution prior to distribution.
- Nightly and morning cleanings of all common areas using soap and water, then disinfected with the CDC recommended diluted recipe for bleach solution with clean towels.
- Nightly and morning vacuuming of venue space with vacuums equipped with high-efficiency particular air filters, while guests are not in the room.
- Hourly disinfection of all common areas by staff members wearing facemasks and disposable gloves, using fresh towels and the CDC recommended diluted recipe for bleach solution, which is effective for 24 hours. Frequently touched surfaces include bathrooms (toilets, faucets, sinks), door pushes, doorknobs, light switches, bars, railings, countertops, handles, phones and any other frequented areas.
- All electronics, such as our POS system, touch screens, keyboards, remotes and ATM machines are cleaned and disinfected with alcohol-based wipes or spray containing at least 70% alcohol, then thoroughly dried.
- All laundered items are cleaned with hot water and approved

\* Policies may change and must comply with current government regulations.
